Adam Kabbara , Daniel Yu

Added sensors:
camera
BMP280 (barometer)
BN-220 (gps)
XBEE
gyrometer
buzzer
IMU

Adam Kabbara

Note!!!
problem with the pitot tube sensor. We will need a ADC for this sensor - maybe find a sensor that is already gives digital signals so we wont have to convert

near surface - gps

Xbee Radio

3.3 v

Ground

outside - barometer
